skill, merely to entertain the crowd. One of the "Woolies," who had on a "full-grown jag," started the fun by a whoop and a declaration that he was "the best man this side of Red river," when a "Hayseed" from one of the hay camps near by begged to differ with him, and soon a "free-for-all" was on and the fur was flying. Owing to the fact that the "Hayseeds" were largely in the majority and deprived some of their opponents of a chance to show their manhood, by cruelly throwing them down and setting on them, (which wasn't a bit fair), the former came out victorious. No one was seriously hurt, however, and the picnic and barbecue was pronounced by all a "howling" success.

The base ball game in this city Sunday afternoon between Russell Creek and Vinita was what the boys term a "crackerjack"—38 to 18 in favor of the cornfield canaries. What's the matter with Vinita? Is it the weather, or have they been on the diamond too long?

Deitrick Borchers and John Menenga, the elder, were lying in the shade under a load of flax at Blue-jacket Friday when the driver, not observing them, moved his wagon ahead. Borchers' shoulder was dislocated and the other man's foot was bruised badly.

Last Friday was a great day in THE CHIEFTAIN office for unsolicited subscriptions, fourteen being taken—the amount being \$12.50. There is only one place in the world where the public can get the news of the Cherokee country and that is in THE CHIEFTAIN, and this fact the public has found out.

Poison ivy, insect bites, bruises, scalds, burns, are quickly cured by De Witt's witch hazel salve, the great pile cure. P. Shanahan.

For particulars of a novel wager, in interview Sam Motley or F. M. Strout.

"Boys will be boys," but you can't afford to lose any of them. Be ready for the green apple season by having De Witt's colic and cholera cure in the house. P. Shanahan.

Dr. Frayser will keep up with the fashion; he wears his hair clipped now.

Impure blood is responsible directly and indirectly for many other diseases. Purify the blood at once with Dr. Simmons' sarsaparilla. 50 cents and 50 doses.

The Indian social club is to be revived as soon as the excessive hot weather is over.

The whole system is drained and undermined by indolent ulcers and open sores. De Witt's witch hazel salve speedsily heals them. It is the best pile cure known. P. Shanahan.

"Little" Tom Thompson is building a very pretty cottage in the south part of town—doubtless to rent.

Many a day's work is lost by sick headache, caused by indigestion and stomach troubles. De Witt's little early risers are the most effective pill for overcoming such difficulties. P. Shanahan.

Why Mr. Farmer, of the U. S. surveying corps, hates to go to the country so bad we are unable to say.

"When the spring time comes, gentle Annie," "And the chills and fever bloom once more," "You had better buy a bottle of Cheatum's chills tonic." "From the man who runs the nearest drug store."

Mr. Chrisman, of Cobb's store, has purchased a handsome horse and survey, and now makes the best of these warm evenings.

It doesn't matter much whether sick headache, biliousness, indigestion and constipation are caused by neglect or by unavoidable circumstances; De Witt's little early risers will speedily cure them all. P. Shanahan.

Parties wishing to enroll as citizens of the Cherokee nation, before the Dawes commission, can procure the necessary blanks at this office at 40 cents a dozen.

A 50 cent iron tonic, pure soluble iron concentrated and pure ammoniacal quinine is contained in Cheatum's stomachic tonic, making it the most desirable iron tonic on the market. It is a true tonic strengthener, appetizer, toner up of the system, and blood purifier. Only 50 cts. 4

A large hog got into the shop barrel at the Cobb house Tuesday, and after filling up, made an attempt to get out but couldn't. As no one was near at the time, the hog drowned. Some mischievous boys started the report that a suicide had taken place, and soon a number of excited people were on the scene, to find that it was nothing but a hog.

Quite a novel game of base ball is to take place at the fair grounds Sunday afternoon between two nines made up of Vinita boys. One club is to play the game through in Mother Hubbard dresses.

Theories of cure may be discussed at length by physicians, but the sufferers want quick relief; and one minute cough cure will give it to them. A safe cure for children. It is "the only harmless remedy that produces immediate results." P. Shanahan.

Don't trifle away time when you have cholera morbus or diarrhoea. Fight them in the beginning with De Witt's colic and cholera cure. You don't have to wait for results; they are instantaneous, and it leaves the bowels in a healthy condition. P. Shanahan.

There has been a slight fall in the temperature since last week but it is still "awful hot."

F. M. Smith is getting to be quite a hay man. He is filling the A. N. Green barn near the Frisco stock yards. Joe Harris' barn in the southwest portion of town, and a large barn at Big Cabin with baled hay.

Dr. Simmons' sarsaparilla has specific action upon the secretions and excretions and assists nature to expel from the system all humors, impure particles and effete matter through the lungs, the liver, the kidneys and the pores of the skin. 50 cents and 50 doses.

Two certain young ladies left Vinita Sunday for a visit to Colorado Springs and Manitou. A certain young gentleman—a punster—told them just before they started that he knew they were so anxious to go to Colorado: Because there was a "Manitou" there.

Will Wright, Bob O'Shea, Will Overton and Bates Burnett returned Saturday evening from Spavinaw where they had been on a several days' hunt. The boys say they killed plenty of fish, squirrels and snails. Spavinaw creek is very low, and the water is warmer than usual.
